<input type="checkbox"/> SPEC	_____	

[RUSH] MESSAGE: Examiner's amendment cancels claim 16,  
and allows new claim 30, which is dependent upon  
Canceled claim 16. Also, with the addition of Claim 30  
to the allowed claims, NOA and Claims Index do not reflect  
the allowed claims 30. please Resolve. Thank You @

[XRUSH] RESPONSE: The supplemental notice of allowance mailed 3/9/2005  
reflects the amendments made to claims 15 and 16 (cancel claim 16 and change claim 15 to  
be a new claim 16) as well as the addition of claim 30. The 1/10/05 NOA should be read in  
light of the 3/9/2005 Supplemental NOA. Therefore the NOA properly reflects the amendments to the claims  
A claim index that reflects the changes to the claims is attached

INITIALS: DMR

NOTE: This form will be included as part of the official USPTO record, with the Response document coded as XRUSH.
